

## Safety Professional

### About Us:

EA Networks is a cooperative network company based in Mid Canterbury. It owns and operates the region's electricity distribution network, as well as an advanced fibre optic communications network. Being locally owned and operated means EA Networks and its 130 staff have strong ties with the community that they work and live in. The core focus for EA Networks is maintaining a resilient electricity and fibre network while supporting the local economy and community. For more information about the company visit [www.eanetworks.co.nz](http://www.eanetworks.co.nz)

### The Role:

We have an opportunity within our team for a safety professional who is passionate about Health & Safety and wants to work in a business where they can make a real difference. In this role, you will partner with managers and teams to support and strengthen our safety culture across a safety-critical environment. Reporting to the Safety & Compliance Manager, you will contribute to the delivery of our safety programme, providing practical advice, guidance and support. We welcome applications from candidates with a range of experience, whether you are building your career in health and safety or bring more established business partnering experience.

The role involves:

- Business partnering with managers to drive our Health & Safety culture,
- Providing advice, training and coaching to managers, staff and contractors.
- Carrying out investigations, site audits, and risk assessments and ensuring incidents remedial actions are resolved.
- Providing data driven insights to inform reporting and risk management
- Supporting the delivery of health & wellbeing initiatives across EA Networks.
- Assisting and supporting with the Public Safety management programme.

### Got what it takes?

- At least 2 years HSE advisory experience in a similar role, preferably in an infrastructure related environment.
- Knowledge and in-depth understanding of health, safety and environmental legislation within New Zealand and its application in the workplace.
- Quality focussed and an ability to interpret, analyse and report on data.
- Class 1 Drivers licence.

### On Offer:

We prioritise providing our people with the best possible experience. In addition to a great workplace, we operate a strong reliable network and have modern, well-maintained vehicles and gear. Our new employee benefits scheme offers rewards and benefits to help cover life's costs and support personal wellbeing. We also offer competitive remuneration, enhanced annual leave benefits, and a paid day off during the month of your birthday. We have an active Social Club with activities throughout the year, discounted gym/fitness centre memberships, an expansive break room and free on-site staff parking. You'll get to work with like-minded people who are passionate about keeping the lights and internet on throughout the Ashburton District.

Being a part of the Ashburton District means you're a part of a strong supportive community with a great semi-rural lifestyle. With a variety of local dining and services, and excellent skiing, hunting, tramping and fishing spots nearby, you'll be spoiled for choice. As it's only a 60-minute drive from Christchurch Airport, it doesn't take long to experience city life.

### Join Us:

To apply, please submit your CV and Cover Letter. Applicants must be residing in and have the right to work in New Zealand. Pre-employment checks including a medical, drug and alcohol test and Ministry of Justice checks will apply. For further information please contact Simone Hopwood or Sarah Green. We encourage early applications, as applications will be reviewed as they are received and the role may close early.
